

## B Part of It Legacy

The B Part of It team wish to thank everybody who participated in this study and who helped make it possible. By being part of this, you helped drive global understanding around protection against meningococcal B disease.

The B Part of It study is the largest study of its kind in the world and was only made possible through the willing participation and support from the South Australian community.

**Thank you for B-ing Part of It, South Australia!**
